

Customer Success Story

With SeWo® we have found the perfect IT solution for our rapidly growing company. SeWo® combines an auditable, ISO-certified working environment with easy scalability and a transparent, expense-based pricing model.

Thanks to SeWo® from CSF, we can concentrate on our area of expertise and don't have to worry about IT. This also eliminates the internal investment costs for our own server structure and IT personnel.

(Mark Cheetham COO, SwissGlobal Language Services AG, Baden)

- Deal Size: about 15 to 20 SeWo® workplaces and 3-4 virtual server instances. (still growing)
- The solution is running since October 2016
- Service industry / Baden, Switzerland
